The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE THE SHERIFF TO ACCEPT A GRANT AWARD FROM
THE GOVERNOR'S OFFICE OF EMERGENCY SERVICES
FOR THE CALIFORNIA MULTI-JURISDICTIONAL
METHAMPHETAMINE ENFORCEMENT TEAM
(ALL DISTRICTS) (3-VOTE)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Request the Chair of the Board to provide a wet signature, as required by the Governor's Office of Emergency Services (OES), to the Certification of Assurance of Compliance (Attachment I) authorizing the Sheriff of Los Angeles County, as an agent for the County, to accept a grant award, in the amount of \$1,664,800 from the OES, for the California Multi-jurisdictional Methamphetamine Enforcement Team (Cal-MMET) Program. Additionally, authorize the Sheriff or his designee, to sign and execute any subsequent amendments, modifications, extensions, and/or augmentations to said grant, should such action(s) be required during the term of the grant.
2. Request the Chair of the Board to provide a wet signature, as required by the OES, to the Certification of Compliance Methamphetamine Laboratory (Meth Lab) Operations (Attachment II).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Los Angeles County Sheriff's Department (Department) submitted a grant application to OES for the second year of State Cal-MMET Program funding. The OES requires that a Certification of Assurance of Compliance form, which incorporates

A Tradition of Service

"Proof of Authority from City Council/Governing Board" in place of a resolution, be signed to accept the grant award. The required Certification of Compliance Meth Lab Operations certifies compliance with federal, state, and local environmental, health, and safety laws and regulations, including the National Environmental Policy Act (NEPA), applicable to the seizure and/or removal of clandestine meth labs.

Funding to county sheriff's departments across the state to support their efforts in combating methamphetamine distribution and sales is provided through the State Cal-MMET Program. The program will provide \$1,664,800 for the Department to implement a countywide multi-jurisdictional methamphetamine enforcement team. This team of investigators will be utilized to target and eradicate methamphetamine manufacturers and traffickers who produce and/or sell significant quantities of methamphetamine, with the ultimate goal of dismantling these organizations.

The Cal-MMET multi-jurisdictional task force is comprised of personnel from the Department, as well as outside agencies within the County. Two sergeants, four investigators, and two civilian staff from the Department's Narcotics Bureau will be dedicated to the program. One deputy district attorney III is assigned to the team to prosecute the cases. Participation from other agencies include one investigator from each of the following municipal police departments; Glendale, La Verne, Culver City, and Glendora. The State of California, Bureau of Narcotics Enforcement (BNE), will provide two investigators to the program, although these two positions will not be funded by the grant. A Department's lieutenant will oversee the team but is also not grant funded.

Additional assistance and support will be provided to Cal-MMET as needed by the Los Angeles Interagency Metropolitan Police Apprehension Crime Task Force (LA-IMPACT), who are certified to respond to clandestine meth labs for the purposes of cleanup, prosecution, and further investigation, and by the Los Angeles County Regional Criminal Information Clearinghouse (LACRCIC), an intelligence gathering entity linked to state and federal networks.

Implementation of Strategic Plan Goals

The Cal-MMET Program conforms to the Los Angeles County's Strategic Plan; Goal 1, Service Excellence, as it provides the Department with the ability to provide public services that are beneficial and responsive; Goal 5, Children and Families' Well Being; and Goal 6, Community Services, as it improves the quality of life for residents of Los Angeles County by targeting and dismantling methamphetamine manufacturing and distribution organizations in their communities.

FISCAL IMPACT/FINANCING

The funding in the amount of \$1,664,800 (\$960,746 for Salary and Employee Benefits and \$704,054 for Operating Expenses) will be fully offset by State grant funding. The County is not required to contribute any matching funds. This second year of funding has been included in the Department's 2007-08 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The grant period is from July 1, 2007, through June 30, 2008. The Department submitted the application on May 24, 2007, with permission from the OES to submit the two certificates upon Board approval to complete the application process. This Board letter has been cleared by the concerned County justice departments and reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of \$1,664,800 in grant funding will have a positive impact on current services as it provides the Department's Narcotic's Bureau the fiscal ability to fund a team of investigators to identify and arrest methamphetamine manufacturers and traffickers and work toward achieving the ultimate goal of dismantling these organizations within Los Angeles County.

The services of the County justice departments, including the District Attorney, Public Defender, and the Alternate Public Defender, resulting from the Department's investigations will be impacted. The Public Defender estimated that approximately one Deputy Public Defender III will be required to handle the additional workload. The second year of funding will only allow for the addition of one full time Deputy District Attorney III to be 100 percent funded from grant funds.

CONCLUSION

Upon County approval, please return four individually certified copies of the County-adopted letter and one copy of each Certification to the Department's Grants Unit. The Sheriff's Department's contacts for the requested County action are Peter Zavala, Grants Manager, at (323) 526-5112 and Marcelle Murr, Grant Analyst, at (323) 526-5212.

Sincerely,

LEROY D. BACA
